

3 on 3 TOURNAMENT RULES

Our Court Monitors are all **volunteers**. Please be respectful to them as we are all here to have a great day, play basketball, and earn money for a worthwhile cause. Please take a minute to thank them for their valuable time!

LIVE BALL/DEAD BALL POSSESSION

- * The side or top of backboard is out of play
- * Opposing player must check the ball at top of court before it is put into play
- * All fouls and violations will be played in from out-of-bounds at top of court
- * Held ball is awarded out-of-bounds according to the alternating possession rule
- * The baseline is out-of-bounds
- * Ball must be "taken back" past the top of the key extended, on every change of possession. "Taken back" means both feet and ball must go behind the marked line. Violation occurs only if basket is made by the team failing to "take it back" and will result in loss of point scored and possession of ball

 - * Free throws will be shot if a player is fouled attempting a field goal and after the 7th team foul
 - If free throw is made, possession goes to defensive team
 - If free throw is missed, the offensive team retains possession
- [If field goal attempt was successful, defensive team gets possession of ball whether the free throw was successful or not]
