Who is Quest Food Management Service?

Quest is a family owned contract management company providing food and services to schools, universities and businesses since 1985.

Quest Food Management Services has for the past 30 years provided food service to many private and public schools in the Chicagoland area. Our reputation is for the high quality food & service provided to students, staff and community of our partnered schools & businesses.

What can students expect this year?

Returning and new students will now enjoy a new food service program at Joliet Catholic Academy. The cafeteria has undergone many changes to include adding breakfast service as well as a complete new lunch menu. Our food philosophy is using good raw ingredients in all of our recipes. We take great pride in our “from scratch” approach.

Where can I find the menu?

The monthly menu will be posted on the JCA website, as well as posted throughout the school. Soon to be on twitter-watch for details.

Starting this fall, we will be using a computerized cash register program which will be linked to the student's id card. Students can choose to pre-deposit money on their account and use their student id card similar to a bank debit card or they can continue to use cash at breakfast and lunch. We will not accept credit cards in the cafeteria, credit cards can only be used for online pre-payments. Students can make account deposits in the cafeteria using cash or checks. All checks must be made payable to "Quest Food Management".
