

Dear Parents and Guardians:

June 1, 2016

Your son or daughter is part of an exciting initiative at Joliet Catholic Academy!

JCA is going 1:1 with Lenovo N22 laptop computers for all freshmen and sophomores for the 2016-17 school year. This initiative has so many possibilities to enhance your child's learning in his/her four years at JCA!

Staying true to our mission, we seek "to cultivate opportunities for academic excellence", and we strongly believe that this 1:1 Technology Initiative supports our mission. Our teachers are prepared and excited to work with your child using the latest technology available in order to provide them the best education possible. The benefits of going 1:1 are endless, but here are just a few reasons why we chose to do this:

- Increased student-centered learning
- Enhanced student and teacher collaboration
- Increased student engagement, accountability, and creativity

What's next? EVERY freshman and sophomore needs to purchase a Lenovo N22 laptop computer. The specific directions for how to purchase this device are enclosed with this letter.

Important information:

- The registration code is JCASTUDENT
- The Lenovo N22 laptop computer is the only thing that is required to be purchased.
- On the website, you will have the option to purchase a Lenovo warranty (which will cover 3 years), an extended Lenovo warranty (which will cover 4 years), and/or various optional accessories.
- Your purchase will be shipped directly to your house with no additional fees for shipping (please allow 7-10 business days for delivery)
- If your son/daughter will be a **sophomore** at JCA for the 2016-17 school year, you are required to drop off their Lenovo N22 laptop computer and charger on Monday, July 25, 2016 from 9:00-1:00 or 5:00-7:00 at the main office. Your son/daughter will receive his/her computer back the first full day of school.
- If your son/daughter will be a **freshman** at JCA for the 2016-17 school year, you are required to drop off their Lenovo N22 laptop computer and charger on Monday, August 1, 2016 from 9:00-1:00 or 5:00-7:00 at the main office. Your son/daughter will receive his/her computer back during the Freshmen Orientation days.

We at JCA are here to partner with you and your child during this exciting initiative. If you have any questions please contact me at LPahl@jca-online.org or 815-741-0500 x 213.

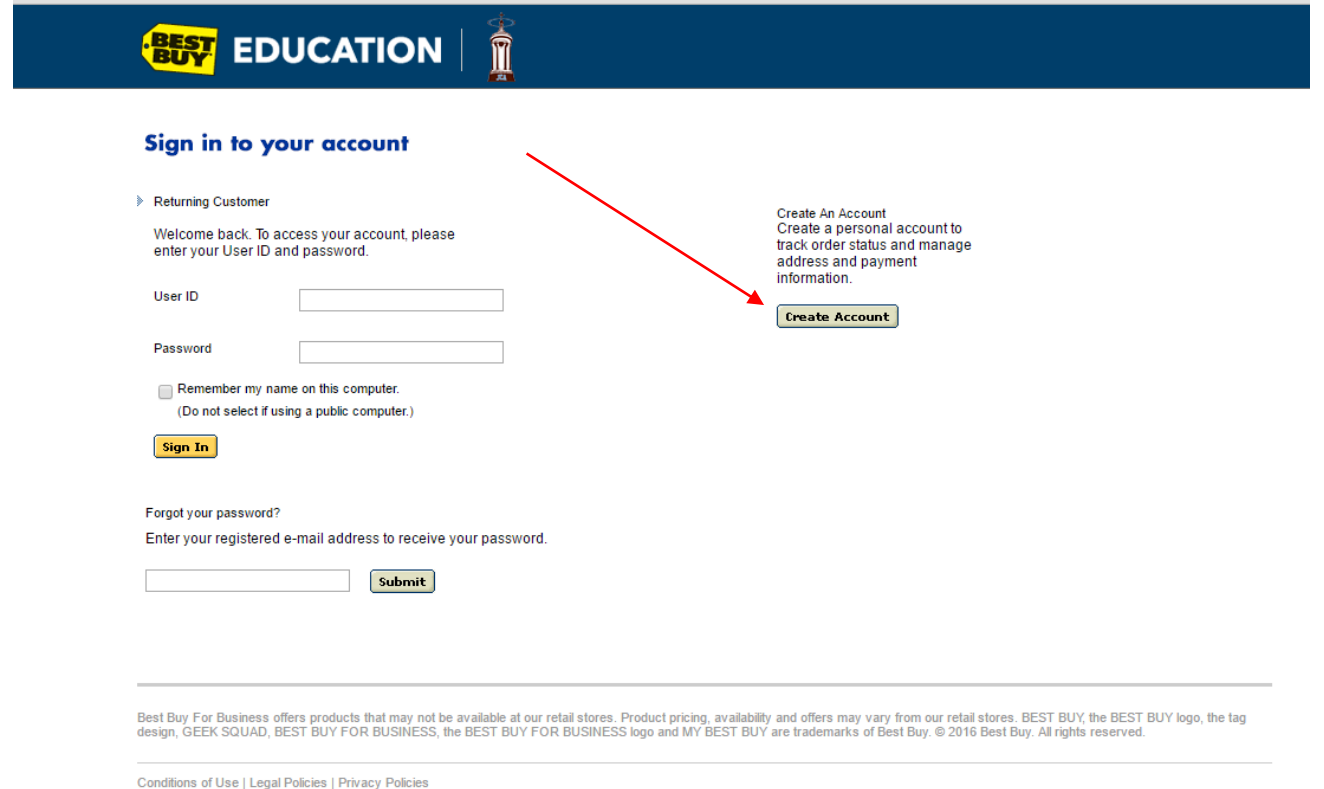

Sincerely,

Laura Pahl
