

## Inspiring Growth in Knowledge and Faith

Dear Incoming senior parent/guardian,

In accordance with requirements of Public Act 90-0607, upon entering the **TWELFTH** grade of any public, private, or parochial school, students are to **have received** an immunization containing MENINGOCOCCAL CONJUGATE VACCINE (MCV4). The immunization requirement consists of:

**The first dose received on or after the 11th birthday; second dose on or after the 16th birthday. An interval of least eight weeks after the first dose. Only one dose is required if the first dose was received at 16 years of age or older. No proof of immunity allowed.**

More information about the Meningococcal Vaccine Requirements can be found at: <http://www.cdc.gov/vaccines>

**Documentation from the provider indicating that the MCV4 vaccine was administered, including both the providers signature and date of administration, is to be submitted to the Health Office *prior* to the start of the school year.**

**In accordance with the State of Illinois, students who are not in compliance with medical records are required to be excluded from school and all school activities, including sports, beginning on October 15 and until the records are in compliance with State of Illinois guidelines.**

Records can be mailed to JCA - attention Health Office, faxed directly to the Health Office desk at 815-741-3015 or delivered to the front office.

Please contact the Health Office if you have any further questions regarding current physicals, immunizations or concerns regarding your student's health and wellbeing.

*Thank you for your prompt attention in this matter.  
J. Batusich, R.N. and B. Huey, R.N.*
