Teen Driver Education Program Terms and Conditions

Classroom Phase

Classroom instruction will be given in 15, two-hour sessions, during a minimum period of four weeks, with no more than one session a day.

Materials: Students must bring a notebook and a pen/pencil to class for taking notes. Books provided in the classroom are for **classroom use only**.

Note: Vandalism to any materials provided by Excel Driving School will result in immediate dismissal from the class and forfeiture of the tuition. Extra charges will be added for vandalism to any Excel property for replacement of materials.

Grading: A student must score at least **75%** on the **midterm** and **final exams** to pass the classroom phase of the course.

Absences: All students are required to be on time and sign in for each session. **Students who fail to sign in are marked absent.** Each student is allowed a maximum of four absences before being dropped from the course. If a student is dropped from the course, all classroom time accumulated will be forfeited. In order to complete the driver's education requirement, students will need to re-enroll in another classroom session and pay the additional fees at the current rate.

Making up Classes: Students will have to make-up any and all class time missed. Students should schedule makeup sessions through their online profile. Students are encouraged to attend the same session missed in another course, if the course registration is not full. If a student is unable to attend the same session missed, they may schedule an Independent makeup session during any other session. If a student attends a session that is not the same as the session they missed, they will be working independently from the class during that session. **Students MUST turn in the required makeup work/notes in order to receive credit for the make-up session.**

In-Car Phase

Students who have registered for a package that includes behind the wheel and/or observation time will schedule sessions by logging into their online profile or directly with their assigned instructor, once they have obtained their Instruction Permit from the Secretary of State. For packages including observation time, behind the wheel and observation are typically scheduled together. Students with packages including a minimum of 8 hours of behind the wheel time are not required to complete observation time, and may receive one on one instruction during their sessions.

Cancelling BTW Appointments: Students who need to cancel driving appointments **MUST** do so through their online portal. All cancellations must be made at least 24 hours before the scheduled drive time. Failure to give **at least 24 hours** notice of cancellations will result in a forfeiture of the scheduled time. Students will need to purchase additional time (at the current hourly rate) in order to complete the required driving/observation time and fulfill their state requirement.

*Note: All students must have their Instruction Permit **IN HAND** in order to take their driving lesson. If the permit is not **IN HAND**, the drive will be treated as a cancellation and the student will forfeit that driving hour.*
