ORGANIZATION OF SCHOOL YEAR

JCA operates on a semester system, ending in December and May. The school day begins at 7:50 a.m. and ends at 2:40 p.m. Most students carry 7 classes in their academic load.

CURRICULUM AND SPECIAL COURSES

Three levels of study are offered in academic subjects for most courses: Accelerated/Honors, Upper College Prep, and College Prep. Advanced Placement (AP) offerings provide a fourth alternative for upperclassmen. Students may work at different levels in different subjects.

An Honors Diploma requires a student to complete a sequence of 17 Honors/AP courses with no more than one grade of C per semester in any course. A sequence of 23 Honors courses and 14 AP courses are offered. AP courses include:

AP Biology	AP French Language and Culture
AP Calculus AB	AP Micro Economics
AP Chemistry	AP Physics I
AP Computer Science	AP Spanish Language and Culture
AP English Language and Composition	AP Statistics
AP English Literature and Composition	AP US Government and Politics
AP European History	AP US History

JCA typically does not allow underclassmen to take AP classes. Students who enroll in AP courses at JCA are not required to take the AP exam in May.

JCA Calculus, Pre-Calculus, Statistics, English 101, English 102, and Psychology II are dual credit courses with Joliet Junior College.

Student enrollment in Honors and AP classes is based on 8th grade placement exam results, academic performance, and teacher recommendation. **LIMITED OPPORTUNITIES ARE AVAILABLE FOR STUDENTS TO ACHIEVE AP STATUS WITHOUT PLACEMENT IN HONORS CLASSES.**

JCA's Academic Resource Center specifically targets students in need of special academic assistance.

Eighth grade students can get a head start on JCA coursework by enrolling in Biology and Algebra courses. Eighth grade candidates must be approved.

ADVANCEMENT PLACEMENT EXAMINATION

Students enrolled in AP courses are not required to take the AP exam in May. Students may take AP exams in other subject areas for which they are prepared.

GRADING AND RANKING

All courses taken in grades 9-12 (8-12 for students enrolled in the JCA 8th-grade Biology and Algebra 1 program) are included in the cumulative GPA. All AP courses, Honors courses, and UCP courses are weighted. Joliet Catholic Academy does not calculate class rank. Please refer to the Cumulative GPA Distribution Chart below. The Adjusted GPA printed on the transcript is a cumulative weighted GPA, and the Simple GPA printed on the transcript is a cumulative GPA on a 4.25 scale (A+=4.25). The grading scale is rigorous and is presented with quality points for weighting in the following chart.

COVID-19 PANDEMIC UPDATE

JCA implemented an E-learning Action Plan March 17, 2020. All courses in our curriculum were taught via online instruction utilizing Microsoft Teams through the end of the 2019-2020 school year.

Teachers delivered instruction and posted daily assignments meaningful to the outcomes of the course and essential to the pacing of the curriculum. An assignment was posted for every class every e-learning day.

Daily assignments were mandatory and graded. Daily attendance was taken based on the submission of the completed assignment. Final Exams were administered online.

Teachers followed all JCA grading policies and the grade scale in this profile.

JCA instituted a Hybrid Learning Model for the 2020-2021 school year, with four days per week of in-person instruction throughout the school year. Students returned to full-time school for the 4th quarter of the academic year and began the 2021-2022 school year on a normal schedule.
